

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear prime
example of the
dangers of media
consolidation.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest, but
instead this company
is forcing their own
partisan opinions on
the viewing public,
who tune in to see
and hear what the
news is, the "REAL"
NEWS", not
a ONE-SIDED opinion.

Unfortunately, more
and more, the news
has become
the owners "Soap
Box" where their
view is the only
view, the news is
what THEY say it is,
even though it is a
Lie.

America use to have
honest to good -
NEWS, that was TRUE
and HONEST, No Lies.

These news stations
broadcast GARBAGE!

We live in a
Democratic Society,
NOT a Dictatorship
please, please,
please put an END to
this travesty!

Order Sinclair
Broadcasting to
Cancel their
Policital broadcast

disguised as a
Documentary about
John Kerry titled
"Stolen Honor".

Stop large business
trying to control
the airwaves for
their personal gain
and benefit. The
news is for everyone
and non-partisan
views are required
and must be the
norm.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard.

Thank you, Zelma
Richardson.
